

About the Artist Registry

Established in 1996, the City of San Antonio's Artists Registry is the number one resource used for selecting artists for design enhancement opportunities. The Registry currently maintains over 350 local, national, regional and international artist files that include artist's general information and slides of their work. The Registry is free and accessible to the public, architectural and engineering firms, arts organizations, educators, artists' consultants and other artists.

How to Register:

1. Complete the Artist Registry Application Form
2. Submit a maximum of 10 color slides of recently completed work
 - Number and print your name on each slide
 - If applicable include images of artworks that are integrated into the built-environment, are functional, or related work
 - Indicate which five slides you would like to be viewed for consideration of design enhancement projects opportunities.
 - All artists work will be digitized, therefore it is suggested to submit high quality, well focused slides. High-resolution digital images can be submitted to the program when available.
3. Submit a slide list
 - Include title, date, dimensions and materials
 - If applicable, indicate who commissioned the work, the location and a brief description.
4. Submit a current résumé (two copies)

NOTE: ORIGINAL WORK WILL NOT BE ADMITTED
